Re: Your Request for Advice
Our File No. A-87-112

Dear Mr. Carpenter:

This is in response to your request for advice, and to confirm the advice I provided by telephone to Ann Peifer of your office, concerning the campaign disclosure obligations of the Senator Paul Carpenter Committee.

Your letter lists several contributions which were made by the Committee in February, March and April to candidates involved in various local elections, as well as a \$5,000 contribution to Citizens Who Care, a committee primarily formed to support a candidate in the special state election for the 33rd Senate District. You have asked what campaign disclosure reports are required to be filed in connection with those contributions and when they are due.

As I advised Ms. Peifer on April 21, 1987, in addition to its semi-annual disclosure obligation, the Committee is required to file a Supplemental Pre-Election Statement (Form 495) pursuant to Government Code Section 84202.5 in connection with the \$5,000 contribution to Citizens Who Care. The Form 495, along with a Candidate and Officeholder Campaign Statement-Long Form/Consolidated Campaign Statement (Form 490) covering the period January 1, 1987 through April 25, 1987, must be filed no later than April 30, 1987, which is the filing deadline for the pre-run-off election statement due in connection with the May 12 run-off election. Ms. Peifer indicated that because the \$5,000 contribution was made the day before the March 17 primary election, a late contribution report had also been filed. She also stated that a late contribution report had been filed in connection with the April 3, 1987, loan of \$4,000 made to Friends of John Greenwood in connection with his April 14 election.

I advised Ms. Peifer that the filings discussed above are the only additional special reports required to be filed by the Committee for the first six months of 1987.
